

## Contact Sheet and Questionnaire

We need to learn about your organization so we can help you decide if moving forward on your Treehouse makes sense for you.

- Who will be the lead contact (i.e. the person we call if we have questions or need to talk about the Treehouse?) Please provide a name, phone number, fax number and email address.
  
- Why do you want a universally accessible Treehouse?
  
- Who do you hope will benefit from the Treehouse?
  
- What type of organization will the Treehouse be built for (i.e. non-profit, municipality, school etc.)
  
- Who owns the land at the proposed site?  
Is it public or private?
  
- Are there existing trees, and if so what type? (i.e. hardwood, softwood). Please attach a digital photo of the site (include a person in the photo as a vertical point of reference)
  
- Who should be considered the decision maker (i.e. who will authorize the funds the sign the contract?) Please provide name, title, phone number, fax number and email address.

Please email your answers to [bill@treehouses.org](mailto:bill@treehouses.org) or [carrie@treehouses.org](mailto:carrie@treehouses.org)
